About the Workbook

There are three sections of this workbook, each one equips priests and key parish leaders with essential data about:

1) The Archdiocese of Detroit
2) Your planning area
3) Your parish

This workbook serves as a planning resource to support thoughtful reflection on the current strengths and future opportunities for ministry and evangelization within each planning area.

Prayer for Archdiocesan Restructuring

Come, Holy Spirit.

Make your presence known as we restructure the parishes
and ministries of our archdiocese.

Be our light on the path we walk together.
Help us hear your voice in the quiet of our own hearts,
in the wisdom of others and in the world around us.

We know you are with us in every step of the process.
Give us clarity, understanding, and direction.
In all things, help us share the light of your love. Amen.

Ste. Anne, pray for us.
Blessed Solanus Casey, pray for us.
Mary, Mother of the Church, pray for us.

Why Archdiocesan Restructuring?

Many parishes were built or grew in a time when Christian values and assumptions were the norm. Faith was inherited and the Church held cultural influence.

There is no doubt that the culture around us, both in the United States and locally in the Archdiocese of Detroit, has changed. The mission, however, has not; it has always been to “go and make disciples” (Matthew 28:19)

Why Archdiocesan Restructuring?

I dream of a "missionary option", that is, a missionary impulse capable of transforming everything, so that the Church's customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today's world rather than for her self-perseveration.

Evangelii Gaudium, 27

Why Archdiocesan Restructuring?

The renewal of structures demanded by pastoral conversion can only be understood in this light, as part of an effort to make them more mission-oriented, to make ordinary pastoral activity on every level more inclusive and open, to inspire in pastoral workers a constant desire to go forth and in this way to elicit a positive response from all those whom Jesus summons to friendship with himself.

Evangelii Gaudium, 27

Archdiocesan Restructuring Process

Why?

As we move forward on mission, we must first address the challenges of our changing culture, which include demographic and financial shifts, a decline in the practice of the faith, and fewer priests serving our archdiocese. These challenges have resulted in limited resources to serve, sustain, and grow the Church in Detroit.

How?

The Archdiocesan Restructuring process will examine the existing Families of Parishes structure, as well as the structure of the Curia, to discern how we can be structured and how our resources can be best aligned "for the evangelization of today's world rather than for [our] self-preservation" (Evangelii Gaudium, 27).

Archdiocesan Restructuring Challenges

Our Goal for Restructuring

Develop a new pastorate model authored by the Holy Spirit that establishes a vibrant Catholic presence in every area of the Archdiocese of Detroit.

Vibrant Parishes

Gospel renewal in our parishes and other ministry efforts

Flourishing Priests

Priests flourishing in their ministry to parishes and the greater community

Mission Ready

Secure a vibrant future for the Church of Detroit

Section One

The Archdiocese of Detroit

About our Archdiocese

- The Archdiocese of Detroit is comprised of 209 parishes encompassing the City of Detroit and six surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics move or die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and the number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. Despite a rebound from 2020 to 2024, Mass attendance remains 14.7% below pre-COVID levels.
- The current average rate of Mass attendance decline each year across the Archdiocese is 4%.

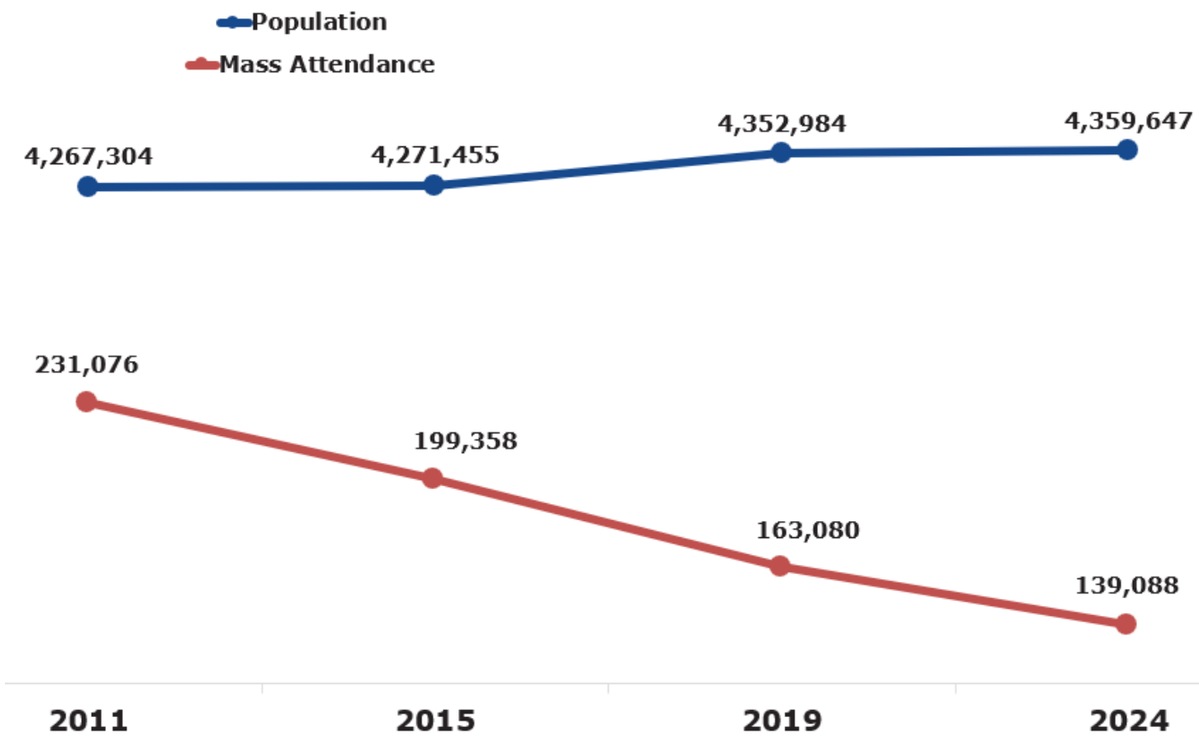
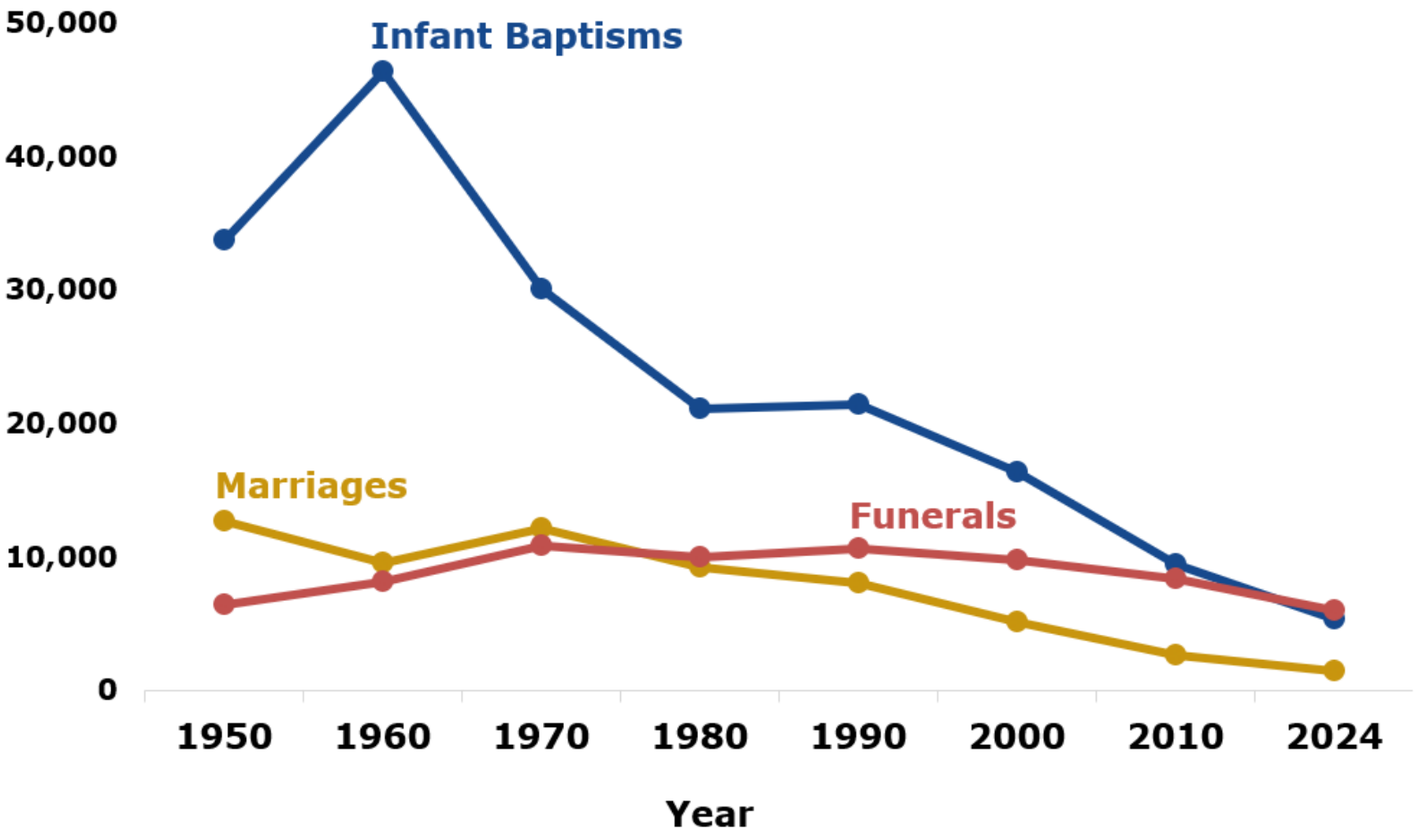
As Greater Detroit Population Grows, Regular Mass Attendance Continues to Decline



Population Source: Michigan Senate Fiscal Agency

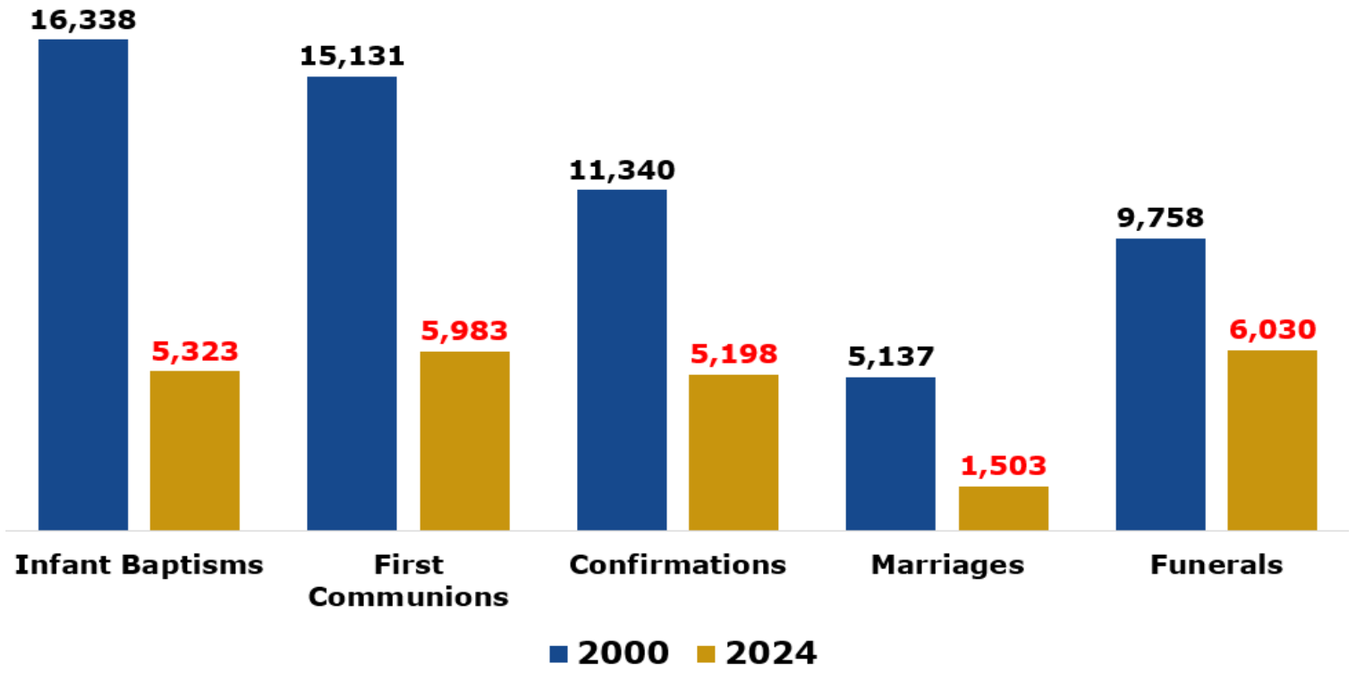
- **Mass attendance has declined by nearly 92,000 people since 2011, dropping from 231,076 to 139,088 by 2024 – a 40% decrease in just 13 years.**
- The decline is persistent across every period, not a one-time drop:
  - 2011 -> 2015: down 31,718 (-13.7%)
  - 2015 -> 2019: down 36,278 (-18.2%)
  - 2019 -> 2024: down 23,993 (-14.7%)
- On average, Mass attendance has fallen by about 4% per year, meaning roughly 1 in every 25 regular attendees is lost annually if the trend continues.
- At the current rate of decline, one-third of today's Mass-attending Catholics will no longer be attending within the next decade.
- In 2024, only 29% of pews were occupied across the Archdiocese of Detroit.

Our Church is Growing Older, Not Younger



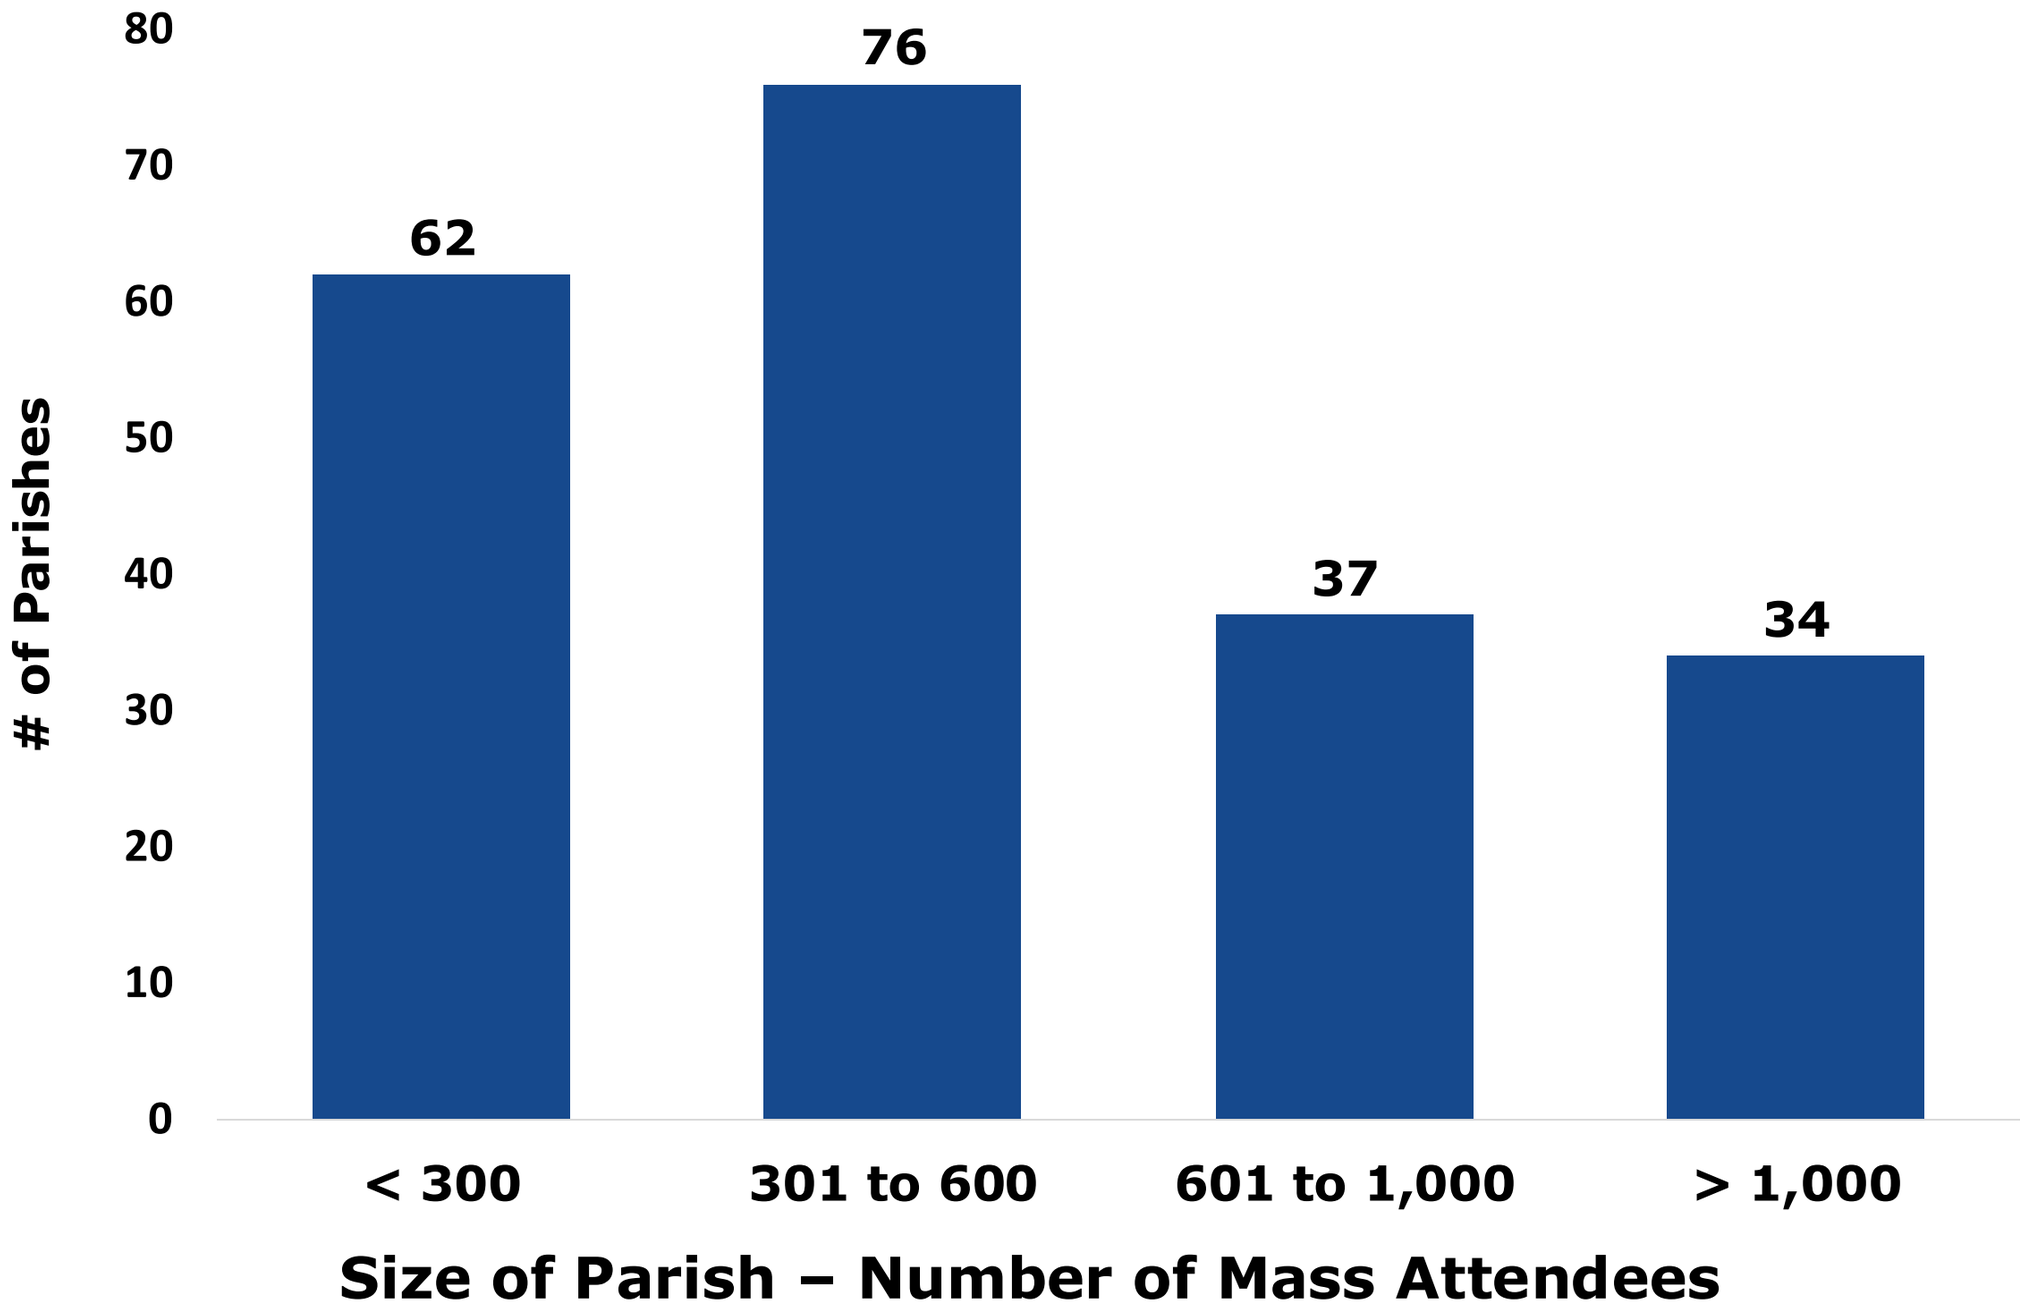
- Infant baptisms have declined the most dramatically—by roughly 60-70% from peak to present, showing a sharp and sustained drop after an early high point and signaling a major contraction in new families entering the Church sacramentally.
- Marriages have fallen by approximately 40-50% over the period shown, with a brief early increase followed by a steady, long-term decline, ending at their lowest level in the most recent year.
- Funerals have remained comparatively stable, fluctuating within roughly a 10-20% range, before tapering downward—indicating that overall sacramental life is increasingly weighted toward later stages of life rather than beginnings.

Funerals Now Exceed All Other Sacraments

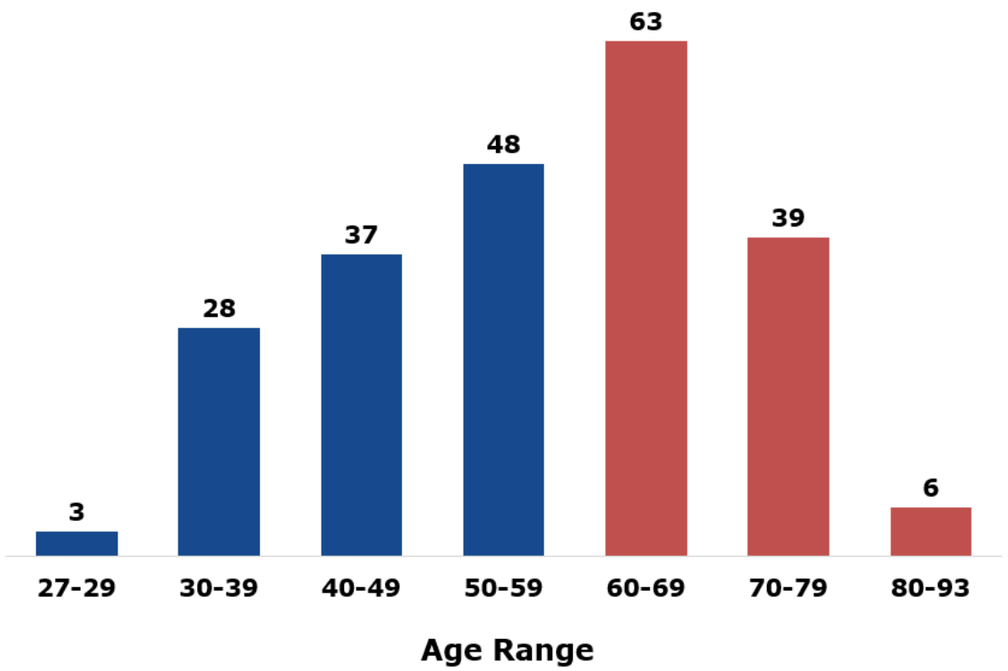


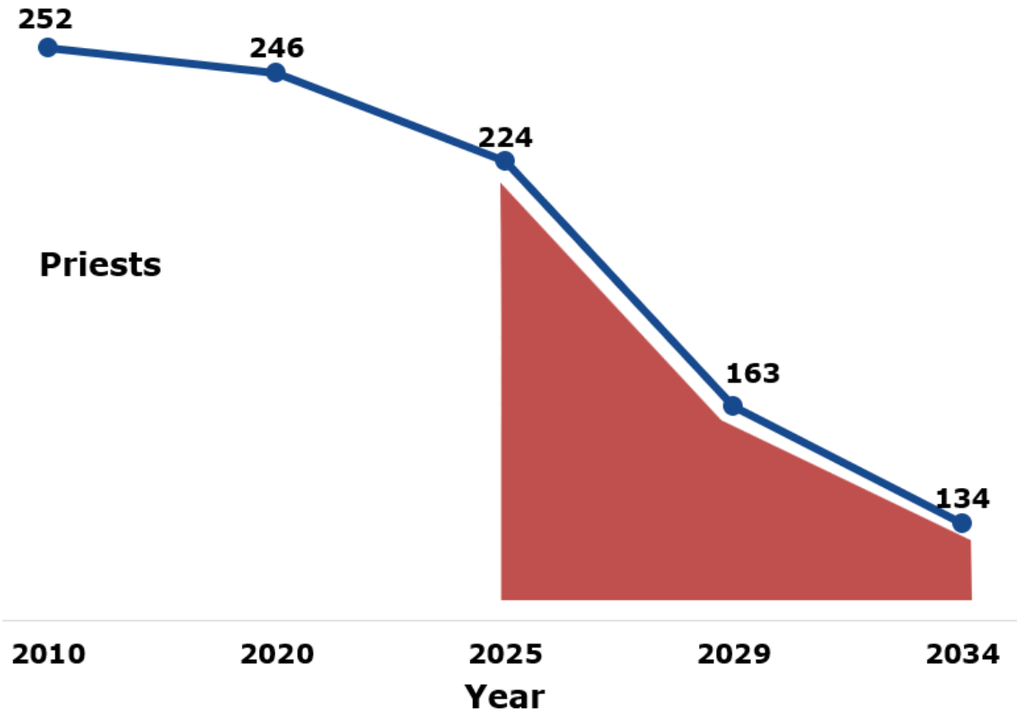
- Funerals now exceed every other sacrament at roughly 6,000 annually, surpassing baptisms, marriages, and confirmations individually.
- Baptisms and marriages remain at or below 5,000 per year, reinforcing earlier trends showing fewer people entering and forming within the Church.
- Sacramental life is increasingly concentrated at end-of-life, reflecting an aging Catholic population and a shrinking pipeline of new participants.

Today, 138 Parishes of 209 Have Under 600 Regular Mass Attendees



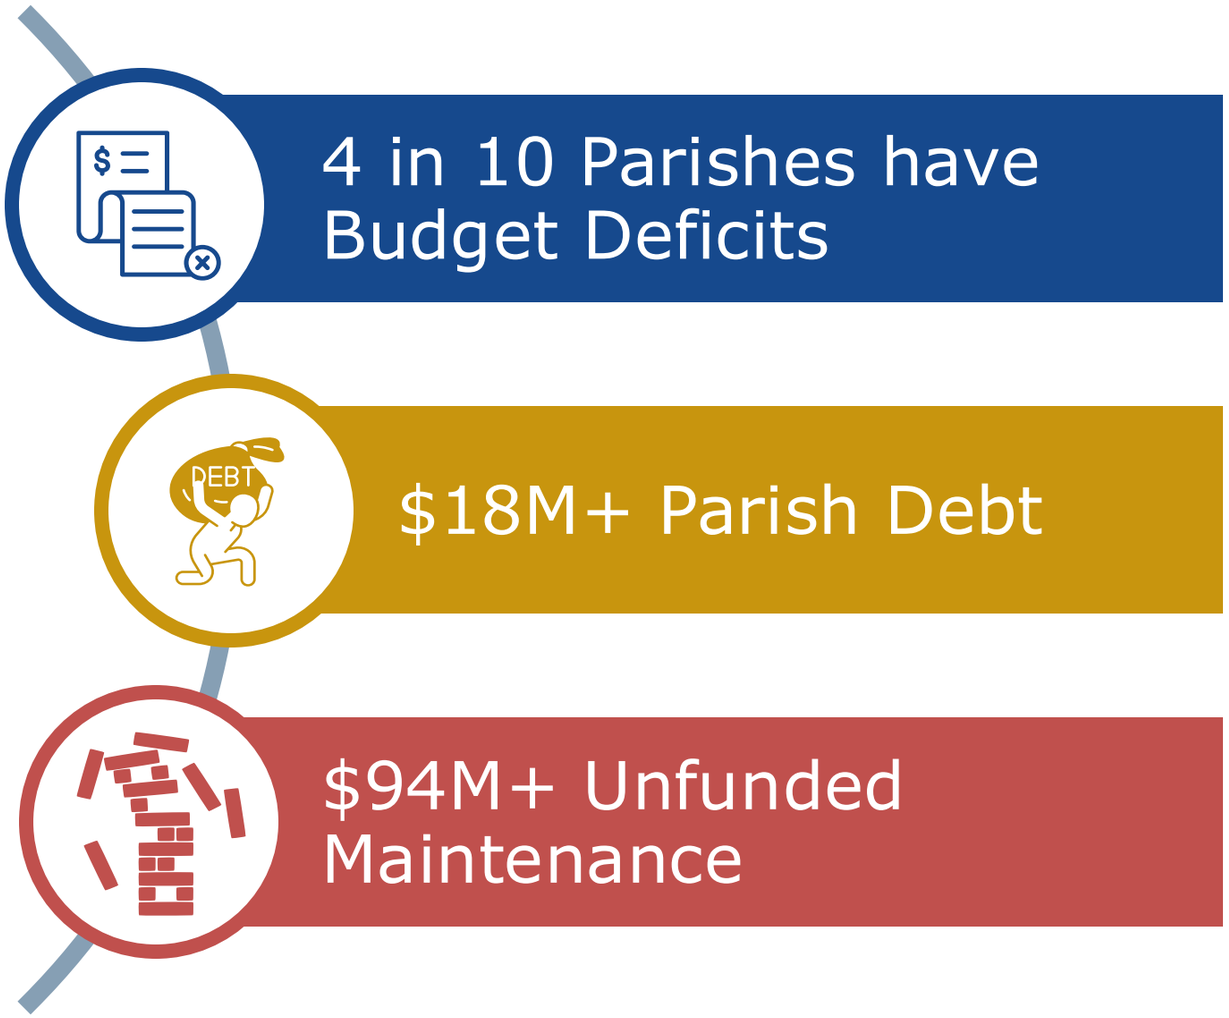
Projected Priest Supply Will Not Meet Demand





- Priests may retire from parish ministry at age 70 and must take senior status after age 80, which significantly reduces the future pool of available priests.
- The number of diocesan priests is projected to decline by roughly 25-30% over the next decade, while the diocese must continue to serve 209 parishes.
- As priests reach retirement age (70), projected supply falls below the total number of parishes, eliminating the feasibility of one priest per parish.
- The projected shortfall is equivalent to dozens of parish assignments, before accounting for parishes that require 2-3 priests.

Heavy Financial Burdens Limit Parish Freedom for Ministry and Evangelization



- With 4 in 10 parishes operating at a deficit, a growing share of parish leadership time and resources is focused on covering shortfalls rather than advancing pastoral mission.
- More than $18 million in parish debt and $94 million in unfunded maintenance are tying parish finances to buildings and past decisions instead of present evangelization and ministry.
- Financial strain increasingly directs parish energy toward sustaining facilities, limiting the capacity to invest in people, formation, and outreach central to the Church's mission.

St. Francis of Assisi - St. Maximilian Kolbe Parish

Ray Township

Parish History

St. Francis of Assisi–St. Maximilian Parish was formed through the merger of two distinct communities: St. Francis of Assisi, which originated in the 1950s as a mission from St. Mary Queen of Creation in New Baltimore, and St. Maximilian, established in 1997 on 23 Mile Road. The parishes were first clustered in 2002 and officially merged in 2003, with the vision of serving the growing population in Ray Township and surrounding areas. A new property for St. Francis was purchased and consecrated in 1998 at 29 Mile and North Avenue. Though Austin Academy is not formally affiliated with the parish, it lies within its boundaries, and the parish supports the school through shared space, priestly assistance, and tuition aid for parish families.

The mission of St. Francis of Assisi–St. Maximilian Parish is to reflect the face of Christ in every person and to bring Christ to the world through love, service, and community. This is accomplished by fostering a welcoming and supportive environment, offering outreach programs such as MCREST, the Giving Tree, and a food pantry, and integrating technology into liturgy and prayer. Faith formation is central to parish life, with opportunities including Bible study, OCIA, Vacation Bible School, youth ministry, and various study groups that nurture spiritual growth and communal connection.

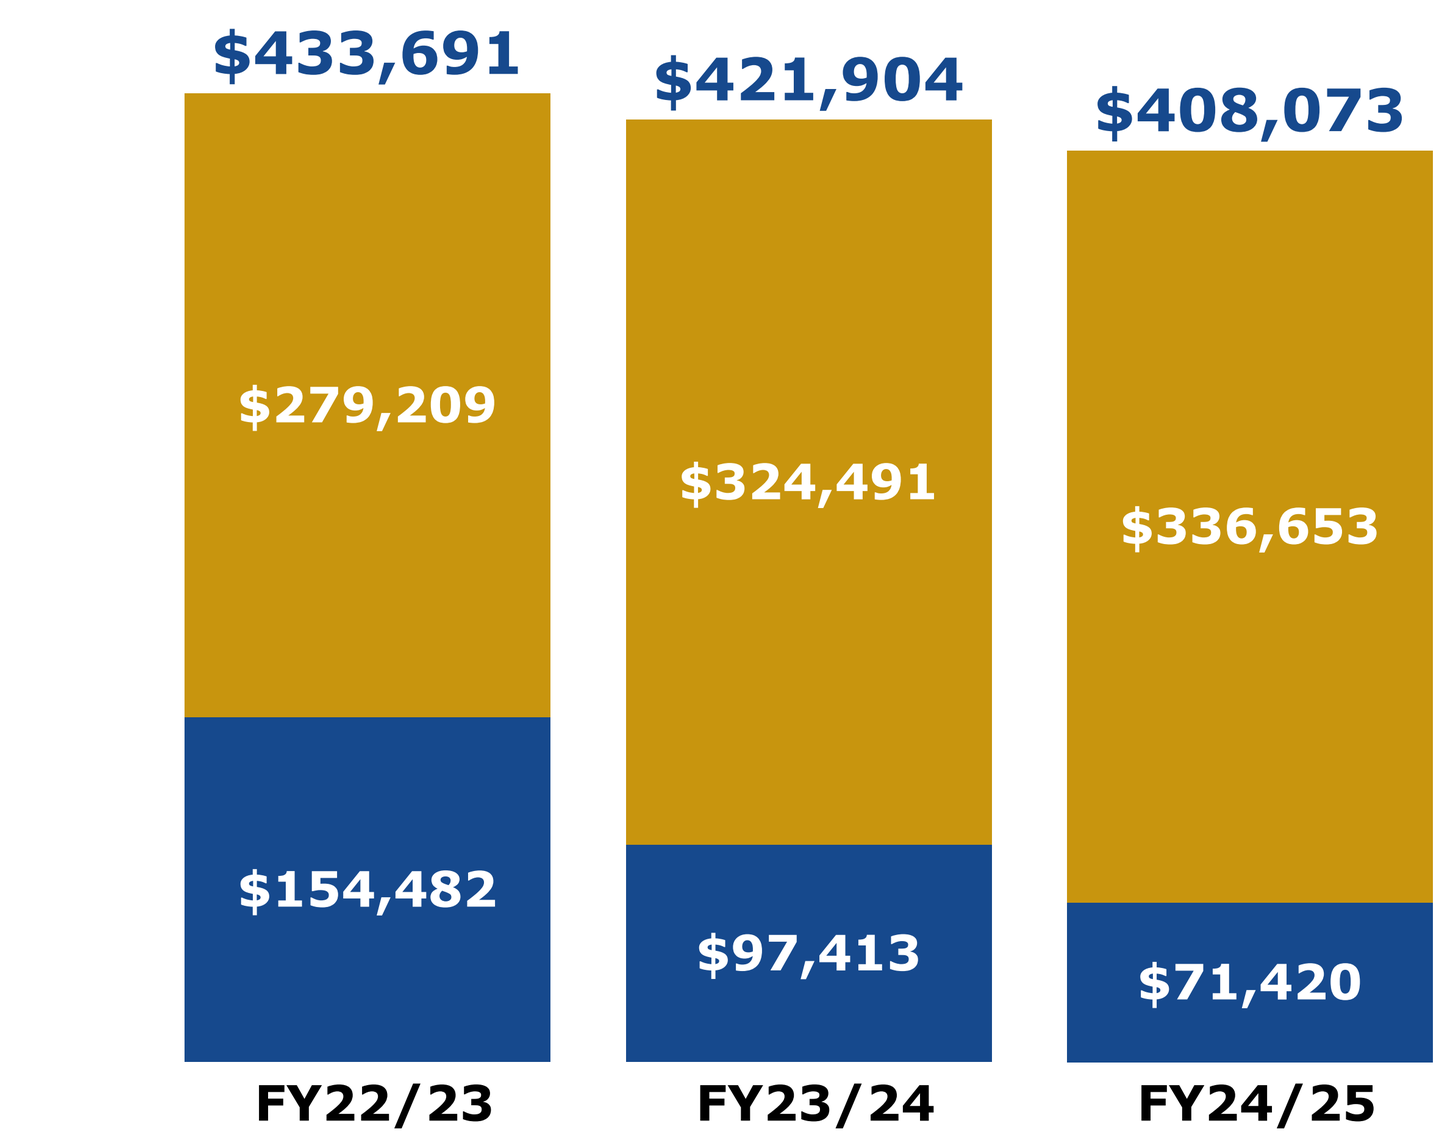
Savings & Investments Keys for Sustainability

Cash and Savings (Unrestricted)



An increase of cash and savings usually means the parish is doing well financially. It also means they are better prepared to handle surprise costs or tough times.

If cash and savings goes down, it may mean a parish is spending more, or collecting less. Having less cash can make it harder to deal with unexpected expenses. Sometimes, this drop is planned—like using savings for big projects or repairs.

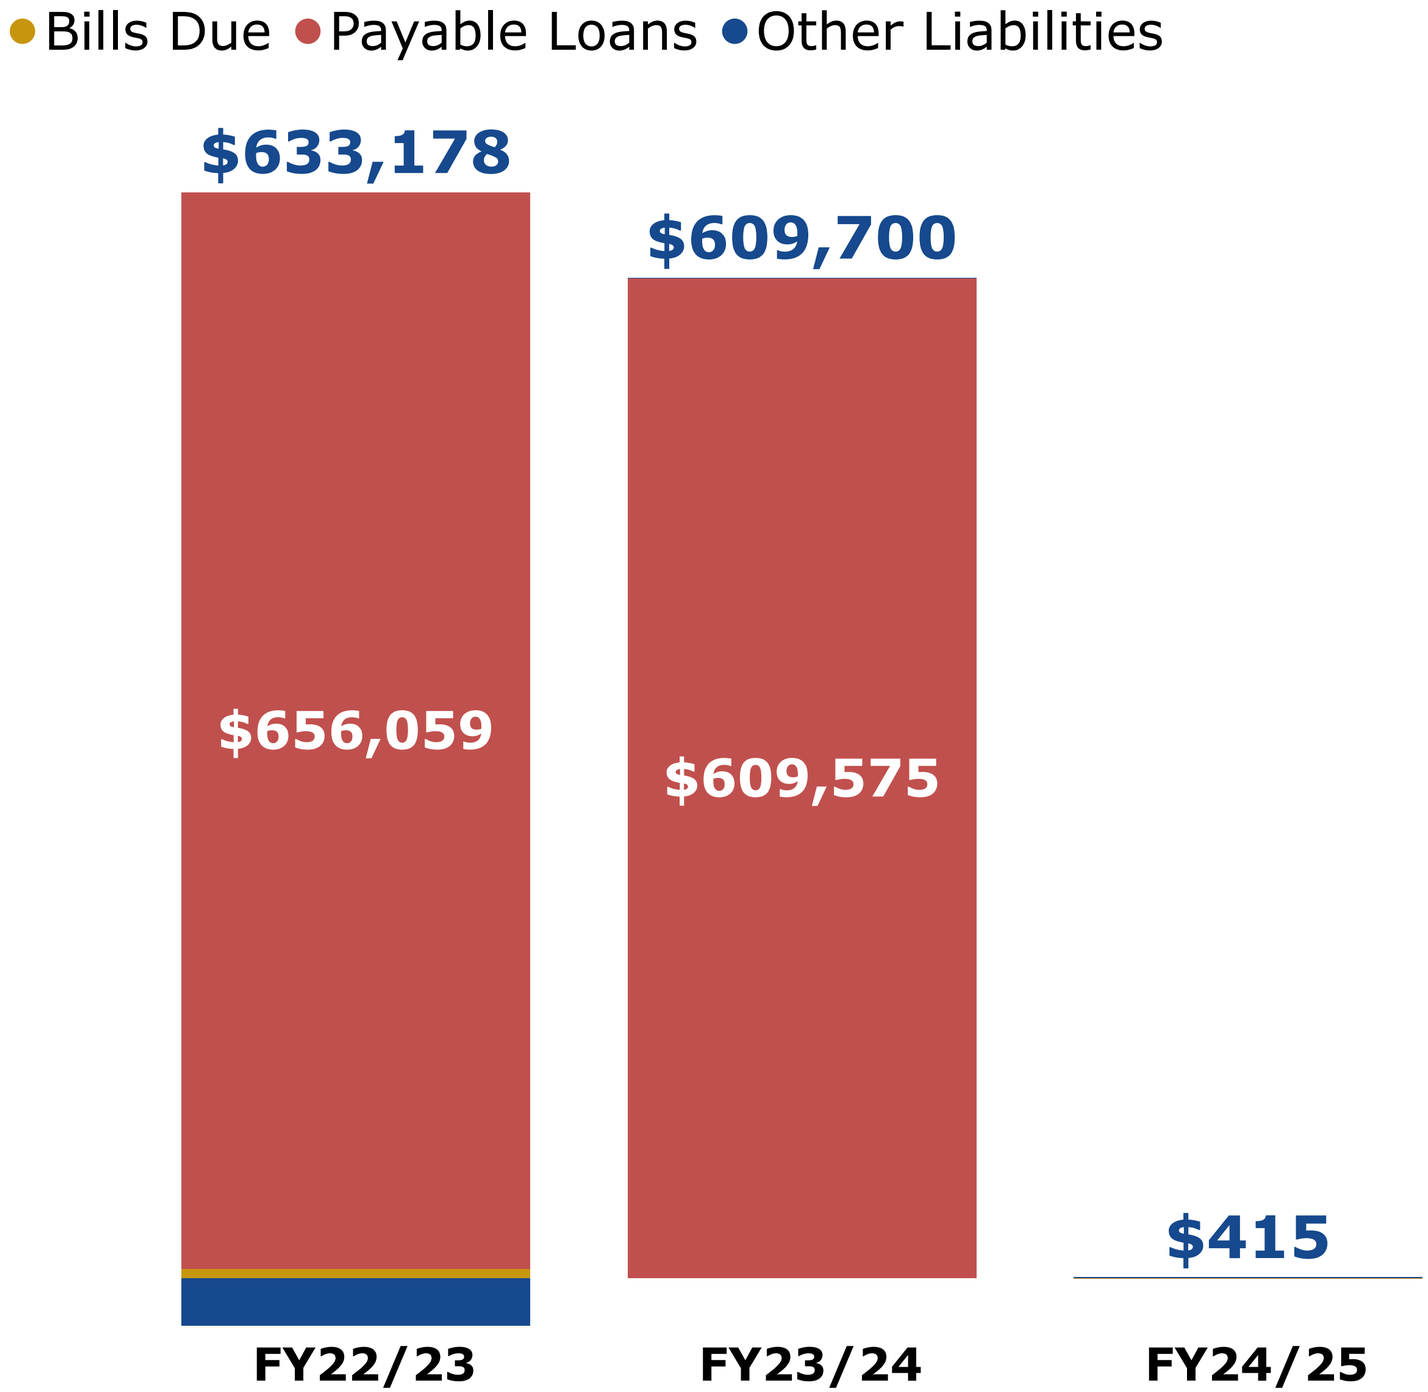
Debts and Liabilities



Debt going up, may mean a parish is having trouble with money or not bringing in enough cash. More debt also means more risk, especially if income isn't growing.

If debt is going down, that's usually a good sign. It means the parish is paying off what it owes and becoming more financially stable. It could also mean they're spending wisely and managing money better.
